Summary (Question, Options, Recommendations):
<p>There have been some updates to data provided from the last report in August 2017. These include:</p> <ul style="list-style-type: none"> F&F Test and GP survey. Patient OnLine has been updated with July 2017 data. QOF updated with 2016/17 data. Public Health England - Seasonal Flu Vaccination programme (2017/18) statistics included. GP incident reports on the QIR form. CQC Ratings. <p>Also attached, is the first data completion of the GP Practice Level Quality Monitoring Dashboard (PLQMD) (format adopted from Hull version identified as good practice). Business Intelligence and Primary Care have adopted the format provided, and populated some of the data fields, acknowledging there needs to be further work to establish appropriate data sources and quality once the PCCC are confident the document meets their needs in regard to format and content.</p> <p>Appropriate data sources are being sought for Bowel Screening and Retinal Screening. In addition, there is some further work needed to identify which Childhood Immunisations and Vaccinations should be included, given the extent of the programme.</p> <ul style="list-style-type: none"> PCCC are asked to note/discuss Primary Care Dashboard November 2017. PCCC are asked to agree PLQMD format and content including providing view of Childhood Immunisations and Vaccinations.
